Sumayya Yaseen Azzony
seuzuni@kku.edu.sa

Education: Bachelor of Computer Science, Faculty of Computing and Information Technology, King Abdul-Aziz University in Jeddah, 2016.
Master of Computer Science, Faculty of Computing and Information Technology, King Abdul-Aziz University in Jeddah, 2019-2021(expected).

Academic experience:
- King Khalid University, teaching assistant, 2017-present.
- Gulf Institute, trainer of networks diploma, 2016.

Non-academic experience:
- Students activities coordinator, May 2018-2019.
- Assistant for logistical work for Academic Advising Committee in King Khalid University, 2017.
- Co-op training in Deanship of Information Technology in King Abdul-Aziz University, for 200 hours, 2015.
- Gained an experience in dealing with people with special needs as an application programmer/designer from Human Computer Interaction as a course in Computer science department at King Abdul-Aziz University, 2015.
- Gained Leadership skills from being me the leader of my team in our senior project.
- Gained experience in managing projects from Introduction to Software Project Management course in the Faculty of Computing and Information Technology at King Abdul-Aziz University,2014.

Certifications or professional registrations:
- Certificate of an online non-credit course "**Machine Learning**" authorized by Stanford University and offered through Coursera,2019.
- Certificate of an online non-credit course "**Mathematics for Machine Learning: Multivariate Calculus**" authorized by Stanford University and offered through Coursera,2019.
- Certificate of an online non-credit course "**Mathematics for Machine Learning: PCA**" authorized by Stanford University and offered through Coursera,2019.
- Certificate of attendance "**Innovation lab applications in E-Learning** "workshop in King Abdul-Aziz University, 2 hours,2019.
- Certificate of attendance "**student's activities management** "workshop in King Khalid University, 4 hours,2018.
- Certificate of attendance "**Active learning** "workshop in King Khalid University, 3 hours, October,2017.
- Certificate of attendance "**The 1st National Computing Colleges Conference**" in King Abdulaziz University, from 17/1/2016 to 18/1/2016.

- Certificate of attendance "**Robotic design And Programming**" workshop, in the Faculty of Computing and Information Technology at King Abdulaziz University, April, 2015.
- Certificate of attendance "**Professional-Virtualization program**" in the Faculty of Computing and Information Technology at King Abdulaziz University, 40 hours, from 27/5/2015 to 16/6/2015.
- Certificate of attendance "**Datacenter Professional-Servers & Storage**" in the Faculty of Computing and Information Technology at King Abdulaziz University, 40 hours, from 24/4/2015 to 14/5/2015.
- Certificate of attendance "**Professional-Operating System**" in the Faculty of Computing and Information Technology at King Abdulaziz University, 40 hours, from 23/4/2015 to 13/5/2015.
- Certificate of attendance "**Android Application Development**" workshop, in the Faculty of Computing and Information Technology at King Abdulaziz University, 2015.
- Certificate of attendance "Android Applications Development Fundamentals",15 hours, at Waqood, Jan, 2015.
- Certificate of participated successfully in the 1st End of Semester Symposium on Computer Applications and Research, held in the Faculty of Computing and Information Technology, December, 2015.
- Certificate of attendance " **Prevention of cyber-crime** " in the Faculty of Computing and Information Technology at King Abdul-Aziz University, 2015.
- Attended "**LaTex**" workshop, in the Faculty of Computing and Information Technology at King Abdulaziz University, 2015.

Current membership in professional organizations:
- ACM
- IEEE
- Oracle

Service activities:
- Students activities coordinator, May 2018-present.
- Assistant for logistical work for Academic Advising Committee in King Khalid University, 2017

Most important publications and presentations from the past five years:
- Presented a poster on my Senior project with my team members which is Sport Clan: a mobile application for android which is social network for managing sport activities in Effat University, 12-13 April, 2015
